INVITATION TO PARTICIPATE IN AN INNOVATION AND DESIGN WORKSHOP

I am pleased to invite you to participate in an Innovation and Design Workshop scheduled to take place from **June 3rd –5th** at University of Nairobi Towers, 10th Floor.

This workshop is part of a transdisciplinary collaborative partnership between the University of Nairobi and Mines Paris-PSL (France) and aims to advance innovation and entrepreneurship through design theory. The workshop will provide a unique platform for participants to engage with leading scholars and innovators, exchange ideas, and explore creative approaches to addressing contemporary societal and industrial challenges.

Please find enclosed the detailed programme for the three-day workshop.

Yours sincerely,

Prof. George Ooko Abong
Director of University Advancement and Institutional Development
&
ESC Project Manager
University of Nairobi
